

MIOSHA Recordkeeping,

Accident Investigation & Workers' Compensation Strategies

1 *Who Should Attend . . .*

This program is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about liability and workers' compensation costs
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work
- ▶ Business owners who want to learn about compliance with MIOSHA

2 *Why You Need This Seminar . . .*

- ▶ To reduce disabling injuries and illnesses to employees - and to ensure that every worker goes home safe and healthy every day.
- ▶ To reduce the high direct costs of work-related injuries, which grew to \$42.5 billion nationally in 2000, and indirect costs, which were estimated at an additional \$127 - \$212 billion in 2002. (*2003 Liberty Mutual Safety Index.*)
- ▶ To enhance your company's bottom line. A strong safety and health commitment not only protects workers, it also reduces worker's compensation costs, improves employee morale, and increases production and quality.

3 *What You'll Learn . . .*

This full-day MIOSHA seminar is designed for safety managers, human resource managers and supervisors, and provides an excellent opportunity to understand how companies can reduce costs associated with workplace accidents and injuries. The course will further your understanding of MIOSHA Log 300 recordkeeping requirements. Seminar attendees will also understand the importance of conducting a comprehensive investigation following near-miss incidents and accidents. Attendees will also learn how to determine your company's insurance MOD factors, how to reduce workers' compensation costs by obtaining scheduled and premium credits, and how to reduce medical only claims by up to 70%.

Facilitator

Jeff Kelley joined the Consultation Education & Training Division after spending over 15 years as a MIOSHA compliance officer. Jeff provides training & assistance to employers and employees in the Macomb, St. Clair and Wayne counties. While working as a MIOSHA compliance officer, Jeff increased his knowledge in power presses, both hydraulic and mechanical, electrical power generation facilities, wood working and metal working machines, and other manufacturing operations. As a compliance officer Jeff investigated over 75 workplace fatalities, hundreds of industrial accidents, and numerous employee complaints.

Before joining MIOSHA in 1990, Jeff spent several years as a safety committee leader in a large chemical company, where he also worked as a maintenance and machine repairman, welder, fabricator, and as an apprentice electrician.
